How to write a college research paper

Stages for Writing a Term Paper

1. Selecting a subject or topic for the paper.
2. Find materials associated with the topic in journals, articles, books and websites that relate to your topic.
3. Read the material to gain an understanding and take notes for future referencing within the paper.
4. Write an outline based on the notes from your sources.
5. Create a first draft of the central part, or body, of the research paper that explains your topic.
