networking - How do you test the network speed between two boxes?

askubuntu.com/.../how-do-you-test-the-network-speed-between-two-boxes

I have gigabit network setup in my house and few Ubuntu based boxes. Out of complete curiosity I would like to check the speed between the two boxes.

Oriel® Instruments - newport.com

www.newport.com/b/oriel-instruments

Oriel® Instruments was founded in 1969 and quickly gained a reputation as an innovative supplier of products for the making and measuring of light.

How to transfer large amounts of data via network.

moo.nac.uci.edu/~hjm/HOWTO_move_data.html

For first-time transfers of multi-GB directory trees containing 10,000s of files, the use of tar & netcat seems to be the fastest way to move the data.

Check disk speed quickly and easily in Linux | Steve Fortuna

www.stevefortuna.com/check-disk-speed-quickly-and-easily-in-linux

I generally use hdparm to test the speed of disks in Linux. The command I use is:
hdparm -tT /dev/sda This quickly tests the throughput, but I
