All Methods

1. Acknowledge the role of the sponsoring organization. Demonstrate your knowledge of the private or public organization by summarizing the nature of its involvement in the project. For example, if the funders are dedicated to advancing literacy in developing nations, acknowledge their successful history in this area.
2. Describe your team or organization. Explain the core objective of your project. For example, if you are a teacher, explain how you will use the project to improve your students' learning.
